Raiz Invest Limited (**Raiz** or **the Company**) today announced its Australian, Indonesian, and Malaysian Active Customers and Australian Funds under Management (**FUM**) update for the month to 30 September 2021ⁱ.

Commentary

Raiz Invest Managing Director/Joint Group CEO George Lucas says: “Strong increases in Active Customers in Southeast Asia in September has positioned Raiz to reach two important milestones in Indonesia and Malaysia by the end of the 2021 calendar year.

“On the back of a 12.9% increase to 162,847 in Indonesia, we will aim for 200,000 Active Customers by calendar year-end, while Malaysia, after a solid 5.9% rise to 81,635, is on track to exceed 100,000. Globally, Active Customers stand at 533,755, a 5% rise in September.

“The team continues working on Thailand with the aim of having a beta version of the application operational by the first quarter of next year, if not earlier.

“Considering the ongoing impact of COVID on economic activity, the September numbers are encouraging and further validation of our strategy, products and brand.

“Weaker markets kept the increase in Funds under Management (**FUM**) to 0.3% (compared with a 2.7% fall for the ASX), taking total FUM to \$970.2 million. We remain on track to reach \$1 billion in FUM by year-end.”
