ASX Release

18 June 2020

Raiz Invest Limited (RZI): Correction to issue of unquoted options

We refer to the attached amended Appendix 3G and replacement Appendix 3Ys in respect of an issue of unquoted options by Raiz Invest Limited (**Raiz or the Company**) and associated changes to interests of directors.

Unquoted options were issued on 1 January 2020 to the relevant directors of Raiz. Under the Listing Rules, the market was informed of the issue of securities and the change of the relevant directors' interests.

Raiz made an error in the calculation of the number of unquoted options and overestimated the numbers of unquoted options to be issued to the relevant directors. This was detected during an internal audit. This has now been rectified and corrected and the number of unquoted options reduced.

The attached amended Appendix 3G shows the correct number of director options; there is no change to the details of the staff options issued. The attached Appendix 3Ys replace those lodged on 26 March 2020.

Raiz acknowledges the error and apologises to shareholders and ASX. The Company is currently reviewing its procedures to ensure such an error will not happen again.
